## GGSESTC AS A FACULTY TRAINING FACILITATION CENTRE

Guru Gobind Singh Educational Society's Technical Campus (GGSESTC) (Est. in 2011) is a premier college of Engineering and Management of Jharkhand. GGSESTC is affiliated to the (JUT) and approved by All India Council for Technical Education (AICTE). In view of National Educational Policy 2020, the college aspires to turn multi-disciplinary and provide various opportunities to its students to explore their skills and talents. Over the years the institute has conducted many short-term training programs, FDPs, Seminars and Conferences in association with JUT, Ranchi, MSME, GOI, and DI Ranch. Some of them are as follows: National Conference on "Recent Trends of Engineering, Science and Management- 2022" (NCRTESM-2022)", International Conference on "Impact of Block Chain Technology and Management in COVID-19", International Faculty Development Program on "Application of ICT based Digital Technology on Classroom Management for Enhancing Teaching Learning Process", Two-Weeks Online FDP on "Quality Management System Through NAAC Accreditation Processes", One week STTP on "Enhancing Laboratory Skills", four days National Level online seminar on "Human Values, Professional Ethics & ICT tools in Technical Education", One day "Entrepreneurship Awareness Programme-Industrial Motivation Campaign" (EAP-IMC) etc. The college has tie-ups with various government bodies to provide technical and entrepreneurship training, internship, industry embedded learning and employment to its students. The institute is committed to excellence in technical education. GGSESTC has created a holistic campus with an infrastructure conducive to academic and co-curricular pursuits and a support system catering to the needs of the students. In the short span since its inception in 2011, the institute has established itself as one of the best of its kind in engineering and management education.

### SCOPE

GGSESTC in association with JUT (Vide Letter No. JUT-910/2022/771 dated 23/11/2022), Ranchi is organizing one week online state level "Faculty Sensitization & Development Program for Recent NBA Accreditation Process for Tier-II Technical Institutions" from 30/11/2022 to 05/12/2022 for the benefit of faculty members of technical institutions. The primary objective of the above program is to create consciousness and give guidance about the process of NBA Accreditation among the faculty members of AICTE approved technical institutions (Degree & Diploma). The main objective of NBA is to conduct evaluation of self-assessment by technical institutions and/or programs offered by them on the basis of guidelines, norms and standards specified by it. Also, to build the technical education system as facilitator of human resources such that it will match the national goals of growth, competence and compatibility contribute to economic societal development.
