Response:

There is a registered Alumni Association Applied for (A/F). The Institute's Alumni Association has been instrumental in shaping the path of its graduates (B. Tech, BBA, BCA, and postgraduates (MBA), shaping them toward becoming technologically adept professionals, influential leaders, innovative entrepreneurs, dedicated researchers, and adept global managers. It was established in 2018.

The Alumni Association has been a loyal supporter of the Institute, actively contributing to its mission and objectives. Through various interactive sessions, the Alumni Association imparts invaluable insights to current students, offering guidance on career prospects and educational opportunities both domestically, nationally, and abroad. Moreover, alumni actively engage in social media platforms, blogs, and forums, sharing their experiences and expertise, thus enriching the educational landscape and fostering continuous curriculum improvement through regular meetings.

The Alumni Association serves as a bridge between the Institute and the students employed in the corporate sphere, facilitating vital connections and collaborations and ensuring that the Institute remains attuned to industry trends and developments, thus enhancing its relevance and competitiveness in the professional arena.

The principal objectives of the Alumni Association are to:

- Establish a platform for connecting ex-students and current students to share experiences and interests.
- Facilitate social and professional networking among alumni.
- Act as ambassadors for the Institute by aiding student career development and organizing industry visits.
- Leverage alumni experience to benefit current students, promoting campus interviews and placements.
- Bridge the gap between academia and industry.

To encourage a harmonious relationship among all stakeholders, the GGSESTC Alumni convened for their annual meeting on 2nd Jun 2021, 21st Jun 2022, and 2nd March 2024. This day-long event was replete with cultural festivities and served as a platform for meaningful exchanges between alumni, current students, and faculty members. Together, they brainstormed innovative approaches to enhance the educational experience of present students, explored diverse career opportunities across sectors, and engaged in discussions regarding emerging trends in technology and industry dynamics. Amidst the
