### Strategic Plan

Guru Gobind Singh Educational Society's Technical Campus (GGSESTC), Bokaro, is on a transformative journey towards becoming a premier institution for technical education. Our Institutional Perspective Plan (IPP) serves as a strategic roadmap for the next five-ten years, outlining our commitment to the following, as stated on our website:

- Vision: To provide world class education, training and research opportunities in fields of Technology Management and other disciplines.
- Mission: To be centre of academic excellence and an ecosystem vehicle for aspiring technologists and entrepreneurs.
- Objective:

To be amongst top institutions in Jharkhand in terms of:

- Engaging with Indian corporates and institutions for knowledge sharing and development of the institute.
- Dissemination of knowledge through Research & Training.
- Improving through Rankings and Accreditations.
- Adoption of Contemporary Technology in Teaching, Learning and other processes.

#### Strategic Goals

Our IPP is anchored by these key strategic goals, aligned with the college's mission and vision:

#### **Academic Eminence:**

- Develop supplementary learning modules or workshops to bridge the gap between the university curriculum and industry requirements.
- Implement innovative teaching-learning methodologies to enhance student engagement and learning outcomes.
- Foster strong industry partnerships for internships, guest lectures, and collaborative projects.

#### **Student Centricity:**

- Promote holistic development through co-curricular activities, personality development workshops, and leadership training programs.
- Implement a robust mentoring system to provide personalized guidance and support to students.
- Enhance career services by organizing career fairs, pre- internship talk, mock interviews, and industry mentorship programs.

#### Infrastructure & Technology Advancement:

- Expand and modernize laboratories and classrooms with state-of-the-art equipment and technology infrastructure.
- Establish a dedicated research and development (R&D) center to foster innovation and entrepreneurship within the GGSESTC community.
- Develop a comprehensive Information and Communication Technology (ICT) infrastructure to support e-learning, online resources, and seamless communication.

### Faculty Excellence:

- o Attract and retain highly qualified and experienced faculty members.
- Provide faculty development programs to promote continuous learning and adoption of new teaching methods.
- Encourage faculty participation in research projects, conferences, and publications to enhance scholarly output.

#### • Research and Innovation Ecosystem:

- o Establish a vibrant research culture by providing seed funding and mentorship opportunities for faculty and student research projects.
- Collaborate with leading research institutions and industries on mutually beneficial research initiatives.
- o Promote intellectual property creation through patents and publications.
- Set up an Innovation Lab and Incubation Lab, and pursue NABL accreditation for our laboratories to enhance research quality and industry collaboration.

#### • Sustainability and Social Responsibility:

- Implement green building practices and adopt renewable energy sources to minimize environmental impact.
- Integrate social responsibility principles into the curriculum and encourage student participation in community outreach programs.
- o Foster a culture of ethical conduct and social awareness among students and staff.

### Strategic Initiatives Aligned with Short-Term and Long-Term Plans

The IPP is further supported by specific initiatives aligned with our short-term (1-5 years) and long-term (5-10 years) goals:

#### **Short-Term Initiatives:**

- Implement a comprehensive personality development program for students.
- Strengthen research activities by establishing seed funding for faculty and student research projects.
- Enhance alumni engagement through regular interactions, mentorship programs, and career networking opportunities.
- Secure NAAC accreditation by 2024.
- Achieve a NIRF ranking under 200 by 2025.
- Improve the average placement package offered to students.
- Achieve NBA accreditation by 2026.

#### **Long-Term Initiatives:**

- Pursue autonomous status to grant degrees independently.
- Establish start-up and incubation facilities to support student entrepreneurship and innovation.

DIRECTOR

### **IPP Implementation and Monitoring**

- The IPP will be disseminated widely through the college website, faculty meetings, and student orientation programs.
- Departmental action plans will be aligned with the strategic goals of the IPP, ensuring coordinated efforts across the college.
- A dedicated IPP monitoring committee will regularly review progress, identify areas for improvement, and celebrate milestones.

GGSESTC is committed to continuous improvement and achieving excellence in technical education. The IPP serves as a guiding light on this journey, and we are confident that by harnessing the collective talent and dedication of our faculty, staff, and students, we will achieve our ambitious goals.

We invite stakeholders, including industry partners, alumni, and potential students, to join us in this transformative journey. Together, we can shape a future where GGSESTC empowers its graduates to become leaders who shape a better tomorrow.
